[fat chance the bitter truth about sugar by robert lustig](#)

Fat Chance: The Bitter Truth About Sugar by Robert Lustig â€“ review. (A glass of orange juice contains more sugar than the equivalent volume of Coke.) The bitter pill of Lustig's philosophy is sweetened by an agreeably cute humour: "Naturally occurring fructose comes from sugarcane, fruits, some vegetables, and honey. The first three have way more fibre than fructose, and the last is protected by bees."
