

## HANDBOOK OF ACTION RESEARCH REASON PETER BRADBURY HILARY

[the sage handbook of action research ukgepub](#)

Peter Reason and Hilary Bradbury have introduced new part commentaries that draw links between different contributions and show their interrelations. Throughout, the contributing authors really engage with the pragmatics of doing action research and demonstrate how this can be a rich and rewarding reflective practice.

[handbook of action research participative inquiry and](#)

~The Handbook of Action Research is truly a remarkable book. We are greatly indebted to the editors Peter Reason and Hilary Bradbury, who managed to avoid the usual tower of Babel, and succeeded to forge and orchestrate the somewhat incoherent mosaic of action research, with its many voices, into an intelligent comprehensive and logical whole.

[recent books on action research bob dick](#)

This book represents an important leap forward for action research. Though Peter Reason prefers the label "co-operative inquiry" for his own action research approach he and his co-author have here adopted the more generic term "action research" for what will almost certainly become a point of reference for action researchers.
